Spec Sheet

100 ft Blue Snagless Shielded Cat5e Patch Cable

StarTech ID: S45PATCH100B

StarTech.com's Cat5e Shielded F/UTP Snagless Patch Cables offer reliable Ethernet connections. This 100ft cable meets or exceeds all Category 5e specifications and features a durable blue jacket that simplifies departmental color coding while providing rugged flexibility for network connections.

To reduce susceptibility to EMI/RFI and near end cross-talk, the patch cable is shielded throughout the length of the cable, as well as around the RJ45 connectors. Our Cat5e Shielded F/UTP Snagless Patch Cables also feature a snagless design that protects the RJ45 clip from snagging during installation, as well as PVC molded strain relief that prevents the RJ45 connector termination point from bending at sharp angles - reducing the risk of cable damage.

StarTech.com's Cat5e Shielded F/UTP Snagless Patch Cable is constructed of top quality materials (100% copper conductors, 24 Gauge Wire, 50 micron Gold Connectors) to ensure optimum durability and performance, and backed by our Lifetime Warranty.

Applications and Solutions

• Designed for Network Adapters, Hubs, Switches, Routers, DSL/Cable Modems and other applications requiring high-speed cables

- Suited for all industrial applications
- Works with 1000 BASE-T, 100 BASE-T, 10 BASE-T, Token Ring, ATM & ISDN networks

Features

- Colored Hoods for departmental color coding and easy identification
- Molded strain relief and stranded wires for added flexibility and durability
- StarTech.com Category 5e shielded cables are manufactured to meet or exceed CAT5e specifications

Technical Specifications

- Warranty: Lifetime warranty
- Connector A: 1 - RJ45 Male
- Connector B: 1 - RJ45 Male
- Color: Blue
- Product Length: 99.97 ft [30.48 m]
- Maximum Cable Length: 328 ft [100 m]
- Network Cable Type: Shielded Snag-less
- Carton Quantity: 12
- Shipping (Package) Weight: 2.61 lb [1.18 kg]
- Connectors: Shielded RJ-45 Male to Male
- Conductor: 4-pair 24 AWG F/UTP
- Jacket Type: PVC
- Length: 100 Feet
- Fire Rating: FT4
- Certifications: UL & CSA certified

RoHS Compliant Available
